Stepping inside, the spacious entrance immediately sets the tone, with a practical boot seat and plenty of useful storage — the perfect welcome after a day outdoors.

The farmhouse-style kitchen/diner is undoubtedly the heart of the home, bringing together character, charm and functionality. A softly lit Welsh dresser, Belfast sink and beautifully inset cooking area create a wonderfully homely feel, while the thoughtful styling adds plenty of warmth and personality.

The lounge is equally inviting, offering a cosy retreat centred around a built-in fireplace with a beautiful wooden mantle. Throughout the home, a carefully considered colour palette creates a lovely sense of continuity, carried from room to room through bespoke cabinetry and striking panelled feature walls.

The bedrooms are every bit as charming. The master suite has a statement feature wall and coordinating headboard creating a truly relaxing retreat. A charming window seat adds another thoughtful touch, with useful storage cleverly tucked beneath.

The Breckland is a home full of character, warmth and those little details that make it incredibly easy to fall in love with.
