With distinctive grey cladding and graphite-framed windows, the Manor has instant kerb appeal. Freestanding lounge furniture gives you the flexibility to arrange your space just how you like it, whether that's cosy evenings in or soaking up peaceful riverside views.

At the heart of the home is the beautifully designed Shaker-style kitchen. Fully equipped with integrated appliances including a microwave, fridge-freezer, gas oven, and extractor fan, it also features under-cabinet and plinth lighting for a soft, contemporary glow. Optional upgrades, like a full-size dishwasher or washer/dryer, are available for those who want all the home comforts.

After a day exploring everything the area has to offer, the boutique-style master bedroom offers the perfect place to unwind. With a king-size bed, plush fabrics, mirrored dressing area, and an en-suite WC, it's your private sanctuary. The twin bedroom provides a bright and comfortable space for guests or little ones, complete with wardrobes and a TV point.
