Property for Sale

Be the first to see the Omar Ikon, a beautiful, bespoke and contemporary home, designed with quality and style throughout.

To the exterior are long slender windows, French doors (to the lounge), feature cladding detail and a central dormer framing a feature front door, all coming together to create a contemporary and sleek look.

The central kitchen / diner has an open plan layout with a modern colour scheme of greys, creams and pale turquoise flows throughout the contemporary design.

High gloss doors with aircraft style top-lockers, two skylights and a large breakfast island create a bold statement within the spacious kitchen, fitted with integrated appliances.

The lounge area has two large sofas, footstools with storage compartments, stylish light oak furniture that coordinates perfectly with the flooring, designer lighting and a contemporary wall-mounted fire – the perfect space to relax and unwind.

In the bedrooms are large wardrobes with sliding doors, providing plenty of storage. Stylish cross padded and buttoned, wall-mounted headboards (commissioned especially for the Ikon), frame the beds making a striking internal feature. In the master bedroom is the luxurious en-suite, including a large shower with overhead deluge and handheld showerhead.

The family bathroom includes a second shower and is equally luxurious and stylish.
