## Property For Sale

The Serenity offers a refined layout with enhanced living zones, setting a new standard for residential park homes at Presthope Grange. Designed with both comfort and flexibility in mind, it features a high level of built-in luxury.

Externally, the home presents a modern aesthetic with clad feature panels, a stucco finish, and an eye-catching apex panel above the entrance dormer. A welcoming entrance area with integrated bench seating adds to the home's appeal.

Inside, the open-plan kitchen and dining space includes three separate seating areas: a breakfast bar, dining table, and a large sofa—ideal for entertaining or informal gatherings. A separate lounge provides additional space, enhancing the overall sense of openness.

The master bedroom includes a feature wall with shelving and a spacious en-suite shower room. The family bathroom features a P-shaped bath with overhead shower and useful storage. Throughout, the interior design is both warm and elegant, with practical elements seamlessly integrated.

The Serenity is ideal for those seeking a modern, sociable, and well-appointed park home in a prestigious Shropshire location.
