The Wessex Classic is a stylish and sophisticated home that exudes luxury throughout.

The large windows and white panelled ceiling along with the soft colours and light tones create the feeling of space and comfort within the living room.

Featuring a breakfast island in the kitchen, with plenty of practical cupboard space and integrated appliances, the kitchen is a stylish place to socialise whilst also providing practical workspace too.

The bedrooms have featured panelled walls, freestanding white furniture and are light, bright and inviting. The contemporary bathroom and en-suite have mid oak coloured tiling and illuminated mirrors, creating a warm interior that is perfect for unwinding and relaxing at the end of the day.
