Step inside the **2022 Regal Hemsworth**, a beautifully designed luxury holiday home that combines contemporary style, clever use of space, and exceptional comfort. Measuring **36ft × 12ft** and sleeping up to **6 guests**, it's the perfect home-from-home for relaxing family holidays and memorable escapes.

Contemporary Style Meets Everyday Luxury

Bright & welcoming lounge: The front-opening **French doors** flood the lounge with natural light and create a wonderful connection to the outdoors. Two stylish freestanding sofas, including a **pull-out bed**, provide plenty of space to relax, while the flame-effect electric fire adds a cosy touch. A distinctive **Brise Soleil room divider** creates subtle separation between the living and kitchen areas without compromising the open-plan feel.

Stylish kitchen & dining: The beautifully finished kitchen combines **wood and cream domestic-sized units** with substantial **40mm worktops**. Integrated appliances include a **fridge-freezer, oven and microwave**, while the freestanding dining area provides the perfect spot for family meals or relaxed evening drinks.

Luxurious master suite: The impressive master bedroom features a **king-size bed**, generous space and a cleverly concealed **walk-in wardrobe** for that extra touch of luxury. The private **en-suite shower room** adds convenience and comfort.

Thoughtful design throughout: From its sophisticated colour palette to its clever storage solutions and premium touches, the Hemsworth has been designed to feel much more like a luxury home than a traditional holiday home.
