Property For Sale

The Brookwood is a holiday home built around bringing people together. At its heart is a spacious open-plan kitchen, dining and living area, creating the perfect space to cook, dine and socialise with family and friends. Whether you're preparing a home-cooked feast or enjoying a takeaway, the flowing layout keeps everyone connected.

Comfort is at the forefront of the design. Generous fitted sofas provide plenty of seating, while leaving ample room for children to play. When it's time to unwind, simply kick off your shoes, curl up with a good book, or settle in for a cosy movie night.

Practical features blend seamlessly with stylish design. A convenient fold-out sofa bed offers additional sleeping space for guests, while the contemporary media unit provides plenty of storage to keep everything neat and organised.

Despite its impressive living space, the Brookwood doesn't compromise on comfort elsewhere. The luxurious master bedroom offers a peaceful retreat after a day of exploring, complete with a king-size bed, generous storage and a calming colour palette designed to help you relax and recharge.

Spacious, stylish and exceptionally welcoming, the Brookwood is the perfect place to create lasting memories.
